There was payment to the Flagler Chamber of Commerce of \$165.00 for membership renewal.

OLD BUSINESS:

CITY OF BUNNELL – No one present to represent Bunnell.

SUSTAINABILITY COMMITTEE: Susan Barry has been working on obtaining grants, discussing fund raising, and pursuing all avenues possible.

MEMBERSHIP COMMITTEE: Nancy Duke has been very busy with Finals Week at the college. Nancy took some of her students to Princess Place to clean up some of the out buildings. It was suggested that when she does these sorts of projects, she could get the media involved for exposure, not just for Heritage Crossroads but also Daytona State College.

\*Public Relations Subcommittee: Vivian Richardson has submitted articles on and about Heritage Crossroads to the local media. She said some papers will publish while others won't. She will continue to submit information about us each month and hopefully more newspapers will publish us as time moves on.

GOVERNANCE COMMITTEE & EXECUTIVE COMMITTEE: Nothing to report.

FESTIVAL COMMITTEE: Tiffany Edwards said the Chamber will be holding its monthly meeting in 1 week and she expects there to be a Creekside Festival meeting about 2 weeks after that. Cathy Cook will be attending the meetings to represent Heritage Crossroads.

VISITOR CENTER PROJECT -- John Seibel said the Florida Legislature has provided \$5000.00 to the Agricultural Museum, in part, for our Visitor Center. The new director of the Ag Museum is Andy Morrow. John said he would have a luncheon at the Black Cloud Restaurant to get more information.

CHAMBER REPORT: Tiffany Edwards is encouraging us to participate in more Chamber events, such as 'Business After Hours'. She is looking forward to working with us on upcoming events such as the Potato Festival and Creekside Festival.

DISTRICT SCENIC HIGHWAYS COORDINATOR REPORT -- Garry Balogh was not in attendance.

NEW BUSINESS:

1. Stan read 2 poems to us, one regarding autism and one on Alzheimer's. Both were very moving.
2. John suggested we change the time of the meeting because noon is not a good time for most of the attendees. The day will now be the 2<sup>nd</sup> Friday of the month at 9am. Barb Kelley motioned for the change and Susan Barry second the motion.

The meeting adjourned at 12:35 PM
